SONOMA, CALIFORNIA

Of all the Wine Country hotels and resorts in Sonoma County and neighboring Napa Valley, only the Fairmont Sonoma Mission Inn & Spa offers a luxury spa, championship golf course and fine dining, all in one first-class destination in the heart of Sonoma Valley. The legendary spa has recently completed a sweeping renovation.

Completely rebuilt for the new century, the spa's inspiring new architecture reveals pools, baths, and treatment areas unique in the West. It is a true spa, created in the grand European tradition and designed on the benefits of our Sonoma wine country hotel's thermal mineral springs.

Along with our new Sonoma hotel spa facilities, the Inn also boasts an 18-hole championship golf course and a variety of dining options and activities for everyone to enjoy.

The charming and newly-renovated Fairmont rooms in Sonoma, CA are located in the main building and capture the flavor of wine country with a Provence-style decor and beautifully appointed tile and marble baths.

The Fairmont Sonoma Mission Inn & Spa was rated among Travel + Leisure's top 25 spas. The elegant Spanish Mission-style spa boasts an enviable location atop an ancient thermal mineral spring, flowing from 1,100 feet below and historically revered by Native Americans for its healing power. The tranquility and beauty of this environment is echoed throughout the 40,000-square-foot spa, which offers endless opportunities to find your energy—whether it's relaxing by the inviting fireplace, soaking in our mineral baths and Watsu® pool, or indulging in one of our signature treatments.
