Seek a respite from the energy of the City by the Bay with accommodations at your choice of three exceptional hotels, while The Fairmont Sonoma Mission Inn & Spa provides you with the ultimate elegant oasis in the heart of California's cherished wine country. Indulge in a private five-hour wine tour as you stroll through magnificent gardens and taste wines recognized as being among the best the world has to offer.

Discover the most iconic luxury hotel in San Francisco, a beacon of style and grandeur for over a century. Since its grand opening in 1907 as the very first Fairmont hotel, Fairmont San Francisco has nurtured its reputation for offering guests truly memorable experiences. A regal Beaux Arts landmark, this five-star hotel combines timeless elegance, peerless comfort, and unparalleled service to guarantee an unforgettable stay.

When the cable car stops at the corner of California and Montgomery Streets, the doorman will welcome you to the elegant Omni San Francisco Hotel. This historic 1926 building has been fully restored, yet retains its Florentine Renaissance style and provides the most sophisticated amenities.

Timeless yet modern, The Westin St. Francis San Francisco on Union Square has been offering guests a warm welcome and an enriching, restorative stay since its opening in 1904. With its turn-of-the-20th-century European style, this downtown hotel blends the elegance of oak-paneled restaurants and the stately grandeur of the lobby with a \$45 million reinvention of the Landmark Building guest rooms.

Set in the idyllic, world famous wine growing region abundant with local products, The Fairmont Sonoma Mission Inn & Spa features a signature Michelin award-winning restaurant, a treasured golf course set on 177 acres of rolling terrain, and one of the top spas in the country. For hundreds of years, ancient thermal mineral waters have graced the site of The Fairmont Sonoma Mission Inn & Spa. Today, the resort is proud to be one of the only luxury spa resorts in the country with its own source of thermal mineral water.
